The Mikaelson's family drama heat's up even more on tonight's all new episode of *The Originals*! Last week fans watched as Ester (Sonja Sohn) placed a spell on Elijah, which left him in a pretty rough state. In "Chasing the Devil's Tail" we get to see just how close the Mikaelson brothers truly are. They did vow to be together 'Always and Forever'.

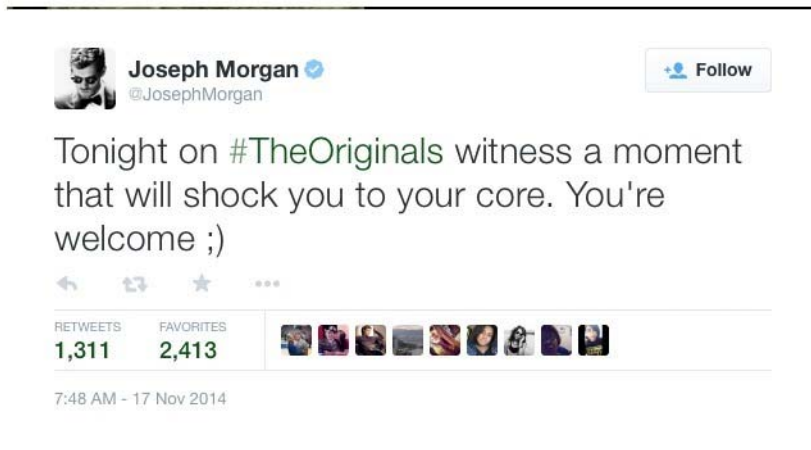

This week Klaus (Joseph Morgan) will come to Elijah's (Daniel Gillies) rescue once again, with assistance from Hayley (Phoebe Tonkin). Klaus will visit the bayou to find an antidote for Elijah, but will quickly realize that he's not alone. His father, Ansel, appears and sets him off. In this clip preview clip, we see Klaus trying to get inside of Elijah's head to see what their mother did, and find a way to help him.

Elsewhere, Cami along with Marcel, Josh, Haley, and Aiden come up with a plan to take down Vincent. In the following clip we see Cami beginning to play a dangerous game with Vincent.

Joseph Morgan (<https://twitter.com/josephmorgan>) shows his excitement of tonight's episode by going to twitter stating:

Tonight's episode is directed by Jesse Warn, and written by Christopher Hollier and the lovely Carina Adly MacKenzie (<https://twitter.com/cadlymack>). This marks the second time Ms. MacKenzie has written an episode for the series, the first being "A Closer Walk With Thee" from Season 1. For more information and behind the scenes looks, follow the cast and crew of *The Originals* and The CW on Twitter.
